QUALIFICATIONS

Acknowledgement of Housing Instability: Client must certify that they are at-risk of housing instability, currently experiencing homelessness, or a survivor of domestic violence fleeing from abuse.

Acknowledgement of Being Financially Impacted by the Pandemic: Clients must certify that, due to or during the pandemic, they have been financially impacted (have experienced a reduction in income, have incurred significant costs, or have experienced other financial hardship).

Self-Attestation of Income Eligibility: Clients must have an income no more than 80% of area median income (AMI).*

**Some households receiving certain types of federal benefits are automatically income eligible
Income is calculated using either total 2020 annual income or most recent 30 days of income
